President's Page

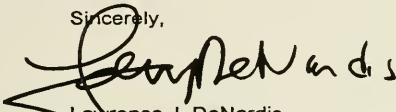

Dear Graduates;

Well done class of 1998! The completion of your undergraduate degree is a testament to your commitment to a successful future. In this great achievement you share a common bond with your fellow graduates -the spirit of hard work and dedication. Your education at the University of New Haven has helped to position you as an individual with the skills and knowledge to succeed in your chosen profession.

We live and work in a changing and dynamic society that will put your talents to use. We have worked very hard to prepare you to meet the challenges as future leaders who will help shape our global society. The world awaits you!

I know I speak for all of the faculty and staff when I extend best wishes to you for a good life filled with professional achievements and personal enrichment. May these years of academic and personal growth at the University of New Haven serve as the inspiration for you throughout your long and productive lives.

Sincerely,

Lawrence J. DeNardis
President

To the class of 1997,

It is my sincere pleasure to congratulate all of you on receiving your undergraduate degree from the University of New Haven. I can remember the first day at UNH like it was yesterday. All of us clinging to our parents like it was the last we would see of them. How our eyes were wide open trying to see everything at once. Now, four years later, we are all very focused college seniors patiently waiting to receive our degrees. The question that faces all of us now is what do we do next? The world is waiting for us. Believe it or not we are the future and it is time for us to step forward and take control of our society. All of the hours studying, working part-time jobs, and even occasionally going to a couple of parties prepared us to enter the real world. Think of college as a four-year training course. We have all been trained now it is our turn to show everyone how good we really are. Don't ever believe a person when they tell you that you can't do something. If we are determined and refuse to quit you will find that you can accomplish anything. An unknown author once said, "If opportunity doesn't knock, then build a door." Once again congratulations to all of you and I wish you the best of luck throughout the rest of your lives!

Sincerely,

Gary M. Wasko
U.S.G.A. President 97-98

A few freshman bond at the whole orientation experience '97!

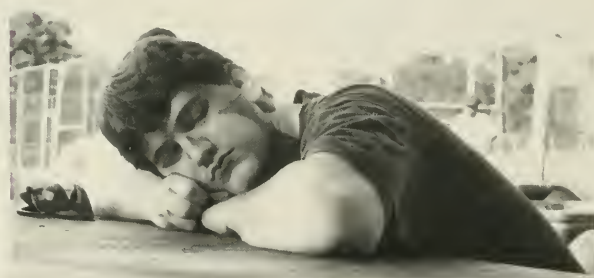

Please aim for the bucket and leave my hair out of it.

The orientation leaders dance to the music to release some mad stress.

Twister is the most popular event at orientation! Have you ever seen that position before?

It seems like orientation was a little too much for this guy!

U.S.G.A. and LAE are represented during the club fair.

Jen, aren't you suppose to say, "Lets get ready to RUMBLE."

Dedication Ceremony of Botwinik and Bixler Hall

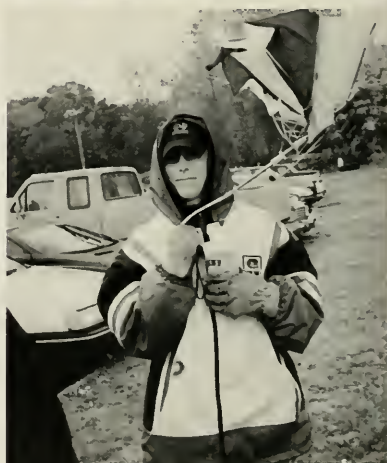

The two new residence halls, Botwinik and Bixler were dedicated during Family Weekend '97. Both Mr. Botwinik and Mr. Bixler spoke about the new additions to the campus life. They were greatly welcome by President DeNardis, President of U.S.G.A. Gary Wasko and other members of the University of New Haven. We are deeply grateful for their kindness.

To Our Fellow Seniors,

With this being our last semester here at UNH we have been reflecting on our past four years of memories and how much fun we have had. From our first move into Bethel Hall, wondering around aimlessly looking for our classes, our big move "up-hill," building the clubs and organizations, living through the changes of food service companies, and now our commencement. We hope that the friendships and relationships you have started here will last through your lifetimes. It has been our pleasure to spend our college years with all of you and to have served as your Senior Class Officers. It is our hope that we have made your last year here memorable and fun. So good luck to all of you in your endeavors.

Senators

In addition to being the Undergraduate Student Government Association that brings the needs of the student body to the attention of the faculty and staff, the USGA also serves the students in a number of other ways. The USGA is made up of a several positions elected by the student body. They consist of the President, the Treasurer, and the Board of Governors. The President then appoints the positions of Vice-President and Executive Assistant. The large majority of the USGA are made up of the Senators. They are also elected by the student body to represent them as a whole. The USGA leads most to all of the clubs and organizations on the campus, whether social, cultural, or academic. In addition to the clubs and organizations, the USGA directs the communication board, which is made up of the three medias on campus. There are several standing committees that represent many aspects of UNH life. They are Safety, Constitution/By-Law Review, Housing, Food, Intramural Sports, Budget, Commuter Issues, and Election Committee

They come up with many ways to keep the interests of the students alive. Another important part of their job is to plan the activities for May Day Weekend and Homecoming Weekend

Sports Management

The Sports Management Club was formed for those students who have a love of sports. It provides the students of the university with lectures, trips, fund-raisers, a women in sports week and various other functions. LIFE

Life isn't about keeping score.
It isn't about how many friends you have.
Or how accepted you are.
Not about if you have plans this weekend or if
you are alone.
It isn't about who you are dating, who you
used to date,
how many people you have dated,
or if you have not been with anyone at all.
It isn't about who you have kissed, it is not
about sex.
It isn't about who your family is or how much
money they have.
Or what kind of car you drive. Or where you
are sent to school.
It is not about how beautiful or ugly you are.
Or what clothes you wear, what shoes you
have on,
or what kind of music that you listen to.
It's not about if your hair is blond, red,
black or brown
Or if your skin is too light or too dark.
Not about what kind of grades you get, how
smart you are,
how smart everybody else thinks you are,
or how smart standardized tests say you are.
It is not about what clubs that you are in or how
good you are at "your" sport.
It is not about representing your whole being
on a piece of paper
and seeing who will "accept the written you."

But, life is about whom you love and whom
you hurt.

It is about whom you make happy or unhappy
purposefully.

It's about keeping or betraying trust. It is
about friendship,

used as sanctity or a weapon.

It's about what you say and what you mean,
maybe hurtful, maybe heartening.

About starting rumors and contributing to
petty gossip.

It's about what judgment you pass and why.

And who your judgements are passed to.

It's about whom you have ignored with full
control and intention.

It is about jealousy, fear, ignorance, and
revenge.

It's about caring inner hate and love, letting it
grow, and spreading it.

But most of all it is about using your life to
touch or poison other people's hearts
in such a way that could have never occurred
alone.

Only you choose the way those hearts are
affected,

and those choices are what life is all about.

Forensic Science/Chemistry Club

The Forensic Science Club is an active academic club on campus. The club pursues various aspects of chemistry and forensic science outside the classroom. The club also gets involved in many other aspects of student life. They sponsor field trips, attend lectures, and have many fund-raisers, such as selling T-shirt. This year,

Pep Band

The Charger Pep Band is a fairly new organization to the UNH Campus, having started in the Fall of '97. We have been active at Charger sports events, such as football and basketball games. Although small in numbers, the Pep Band tries to show support for all UNH Athletics in a big way, musically. We hope to see more musicians get involved, and we look forward to continuing to show our support for UNH.

National Honors Society

The Alpha Lambda Delta Honor Society is a chapter of a national honor society which recognizes high scholastic achievement. The purpose of the organization is to promote a high standard of learning and to assist members in recognizing and developing meaningful goals. led by visionary Editor-in-Chief Allyson Barrett. The staff of the Charger Bulletin produced approximately 26 issues of solid publication. The student run newspaper raised many controversial issues on the UNH campus. Some headlines read, "Limited Seating for Big-Name Comedian is No laughing Matter," "Budget Committee to Determine Allocations of Thousands," and "Parking Problems Plagues Campus Once Again." These features combined with the always well-presented sports, A&E, opinion, campus candida and horoscopes lead to the one of best in UNH history.

W.N.H.U. Radio Station

The WNHU Radio Station was established in 1973, it is set at station channel 88.9. Each year the radio station proves to be a major force in the college radio world. WUNH broadcasts 1700 watts across 5 counties in Connecticut, and 2 on Long Island. WNHU gives its listeners the widest possible variety in programming from new music and soul, to folk and reggae, to talk radio, to broadcasting the sportsevents at UNH and away. It is the diverse program schedule backed by students, faculty and community volunteers that is responsible for WNHU's success.

Chariot Yearbook

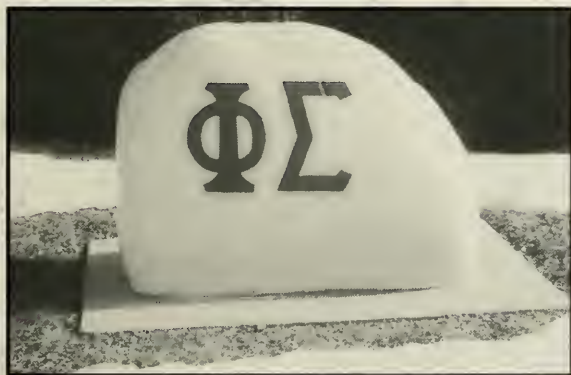

The Chariot Yearbook is the organization that throughout the year works to taking the entire year, capturing it and putting it into one complete book, for all to enjoy. The yearbooks goal is to best represent everyone's life, here at UNH, from sports to clubs and organizations, to residential life. The book covers events form Adam Sandler to Homecoming, to Dedication. As the year goes on, memories are made and it is the yearbooks staff to make sure that those memories are for-ever saved.

As we sit here at 1:04 in the morning, the final proof has been corrected, the final picture has been cropped, and the last all-nighter has been pulled. After seven months, four deadlines, hundreds of pictures, a few visits from Campus Police and one run to Dutchess Diner, the '97-'98 Chariot Yearbook is done.

As we are still sitting here, we are not really sure what we are suppose to write in this section. I guess we should start with congratulating the graduating class. So CONGRATS CLASS OF '98, on a job well done. We hope your years at UNH have been full of memories and experiences that you will bring with you into your new life. To all the friends we made over the years, we will miss you, but most importantly please don't leave without us, SEND HELP!!!! Keep in mind, after a long day at work, us students are getting ready for a night at Eddie's, a Greek Party or a trip Downtown. Giddy-Up!!!

Now we would like to thank everyone who has seen this yearbook through all the late deadlines:

Bob Sasena: How can we begin to thank you for putting up with all our computer questions and always pushing back the deadline a few days, when we really need it. This book is only possible because of all the help, encouragement and support that you gave us over the year. We look forward to seeing you in August when we pre-design next year's book.

Laura Hurley: We would like to thank you for all the motivation that you gave us when ever we felt low. Your words of advise and you uplifting comments made us believe that this yearbook could be accomplished on time. See ya next year!

The Steve's: You guys are the best. We appreciate all your help with everything that you did, to make this book possible. The senior section came out great. Thanks for being so corporative with the film.

Cindy Avery: We are grateful for having an advisor as supportive as you. All your pictures and advice came in very useful.

Our Friends: Guys we want to thank you for always willing to put in the extra hand, even when we really did not know what to do. We had the best year, from Spring Break '98 to Fitzwilly's.

Diana: I just want to thank you for being the best friend I have ever had. You are truly a one in a million. I am so glad that we took this on and made it through. We make a great team, just like Mulder and Scully.

I would first like to dedicate this book to my parents! Thanks for all your help and support this year, with everything... I love you. Josh Also to Ton thanks for everything, you are a great big sister.

Josh: I'm glad we finished this yearbook together and continue to be best friends. You motivated me, especially when I became lazy. I am grateful how you conquered the computer and allowed me to be the Cropper Queen. I know next year's book will be just as fun to make!

I would like to dedicate this book to my father, Luciano Coppola. I wish you could be here to share this book with me but I know that your watching and guiding me from above. I Love You--Diana
